Dear Steve Lackey, Director:

We sincerely thank the City of Kissimmee for your \$2,333.00 grant allocation for our **Fostering High-Quality Education for All Program**. Your funding helped us connect over **966 students from seven incredible schools and one innovative after-school STEM program**. Your generosity provided **864 Pencils, 316 Books, 120 Workbooks, 36 Erasers, 27 STEM Kits, 11 Literacy Kits, 4 PE/Recess Kits**, which contain **48 Balls and 28 Games**, and **1 Math School-Wide Software License** to help close learning gaps and address students' academic and youth development needs. We used your entire allocation on books and STEM kits. Our comprehensive program, **Fostering High-Quality Education for All**, was created to impact homeless students, their families, and under-resourced/underprivileged students in Central Florida. Everyone involved in the education industry knows about the severe learning loss that has occurred since the pandemic. It is projected that the pandemic learning loss could cost students \$70,000.00 in lifetime earnings, which equates to 5.6% lower lifetime earnings. On top of that, a new report just surfaced that only 1 out of 5 graduates from the class of 2023 were fully prepared for college. It is a crucial time in education as 40% of new high school graduates are not meeting the ACT's college-readiness benchmarks in any subject, and only 21% met benchmarks in all four subjects. While we are on the college subject, the number of students from lower economic areas attended college 50% less often than in the previous three decades. These trends show a widening gap between higher and lower economic college populations. As you can clearly see, your support could not have come at a more imperative time. Your funding is a beacon of hope for students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students. Additionally, our comprehensive programming supports **literacy and remediation programs** throughout our community for **underserved students** while providing **evidence-based, intensive outside-the-school-day learning opportunities and summer enrichment** for our students by providing **in-person and virtual tutoring services, books, STEM Kits, High-Quality Materials, college prep services, and feeding programs**.

We are beyond excited that we took our College Prep Programs to another level. We delivered **(75) SAT, (75) ACT, and (50) PERT Test Prep Study Guides (200 Total Books Valued at \$6,000.00)** to underserved high-school students across Central Florida. If that's not enough, we provided over **7,000 books** valued at **\$58,000.00** to start class libraries to schools to build classroom libraries and immediate support for literacy programs to combat learning gaps due to post-pandemic education slides. In addition, we provided **500 Online Libraries** to elementary, middle, and high-school students so they can access thousands of popular and award-winning eBook titles for FREE courtesy of our partnership with Open eBooks. Our programming provided **academic support** for **3,000 students** at **fifteen Title I schools** for underserved students. We also partnered with the legendary author **Mary Pope Osborne** and delivered **3,775 Magic Tree House books** worth **\$22,000.00** to **20 underserved Title I schools**.

We hope to double our impact next year and continue to get our underserved students caught up to pre-pandemic levels. We are excited about the future and hope you consider us again during the 2024/2025 grant cycle. Please visit our sponsorship page at www.fostergrantsandgiving.org/sponsors to see your logo and company name. Thanks again for your support. Please let us know if you need anything. Have a fantastic day.

1. Briefly describe the nature of the event and the process to participate. If the request is for a donation, what will the funds be used towards? *

Foster Grants and Giving Inc. humbly seeks to request grant support to fund our impactful programs. Our programming is comprised of areas that make an immediate and daily impact on vulnerable populations in our community. Our comprehensive program, Fostering High-Quality Education for All, was created to impact homeless students, their families, and under-resourced/underprivileged students in Osceola County. Everyone involved in the education industry knows about the severe learning loss that has occurred since the pandemic. It is projected that the pandemic learning loss could cost students \$70,000.00 in lifetime earnings, which equates to 5.6% lower lifetime earnings. Community Impact

Community Benefit Funds Application

City of Kissimmee, FL

Describe the impact this event will have on the quality of life and/or community pride for residents in the City of Kissimmee. *

During these unprecedented times, Fostering High-Quality Education for All is honored to support underserved students in Osceola County, help close learning gaps, and provide vital services to elementary, middle, and high school students during these uncertain times. We have impacted and served over 3,000 underserved students, which includes exclusive partnerships with thirteen private schools and three after-school programs that primarily serve students of color from low-income areas. Our organization has prioritized ensuring our programs are "accessible," not just "available," by providing transportation to students. Hence, they have the opportunity to benefit from the innovative programming offerings. Our equitable programming is done by integrating school-day equity supports into Out-of-School Time programs, such as professional development opportunities, culturally responsive/sustaining programming, and mental health supports. We are committed to supporting remediation and literacy programs to keep our students from falling behind due to the year and a half of academic learning loss from digital learning and school closures during the pandemic. In addition, we provide brand new books to underserved students and books to schools that serve low-income African Americans and students of color to create classroom libraries.

Most importantly, we also provide high-impact and high-dosage tutoring to provide targeted tutoring to our struggling population of students who might be struggling more in one subject area than another, along with High-Quality Materials and Supports for intensive outside-the-school-day learning opportunities and summer enrichment programs that will help close learning gaps and address students' academic and youth development needs. Our tutoring and enrichment programs will impact our students' academic and youth development needs. Our programming will concentrate on literacy, science, technology, engineering, mathematics (STEM), and civics while supported by data-driven assessment results analysis. The personalized attention our students will receive will help pinpoint the root causes of their struggles while bridging gaps that will set up our students for a future of academic success and lead to the goal of improving grade-level reading by the end of our programming. Our literacy programs will engage research-based practices and implement literacy-rich schedules for identified students benefitting from these additional supports. In addition, our tutors will utilize high-quality materials and practices to ensure every student understands phonics, basic reading skills, vocabulary, spelling, reading comprehension, word meaning, critical thinking skills, and other identified needs.

Our College Prep program focuses on College-Going Culture, which refers to the environment, attitudes, and practices in schools and communities that encourage students and families to obtain the information, tools, and perspective to enhance access to and success in post-secondary education. We play a crucial role in supporting and preparing our students with resources to achieve their post-secondary school vision, goals, and dreams. While it is the student's responsibility to do the work, we take on the responsibility to help them navigate the complex process of getting ready and into higher education, the military, trade schools, or direct hire opportunities. We also focus intently on career planning as a process for post-secondary graduation planning and aligning post-graduation career plans with the chosen institution to get students to their goal quickly with minor investment and the greatest return. We also engage in Career-Aligned Educational Activities, aligning career aspirations and educational programming that efficiently prepares students for post-secondary goals. Our test preparation programs have been highly successful. The SAT and ACT tests are essential, but due to systemic and cultural challenges, many of our students do not have the GPA or test scores to get into a four-year university; we have to have options for them as well. That option includes Post-secondary Education Readiness Test (PERT) Preparation/Tutoring needed to enter community colleges. PERT tutoring has been crucial because over 60% of those students we serve can only get into a community college, and not passing the PERT will make them waste money and resources they do not have because they will have to take a high number of prep courses that do not count as college credit. We are helping students get an AA or AS degree in 2-3 years, where many of those students, if they do not drop out, will have to take 2-4 semesters of prep courses alone and will take them 4-5 years for a two-year degree. Along with the free PERT, SAT, and ACT testing preparation, study guides and tutoring, complimentary breakfast and lunch during tutoring sessions, scientific calculators, up to five free college books for their first semester of college, gas cards, paid college application costs, and ACT/SAT waivers. Our high school program will build critical thinking skills for our students' future higher education and post-high-school career endeavors.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Dear Community Benefit Funds Manager:

Thank you for donating to our Kingdom Kids and Families Support Program, our Community Education and Community Program for homeless and underserved students in Osceola County. Your support allowed us to improve student academic achievement and combat learning loss and lost instructional time while focusing on closing the achievement gaps and identifying students who desperately need support. Your donation allowed us to provide high-quality tutoring to accelerate student learning, compensate for lost instructional time, and help raise underserved student test scores. In addition, your donation helped 400 students receive books, STEM Kits, snacks/meals, and take-home materials.

This has been the most successful year in our school's sixteen-year history. Besides the outstanding students and activities we have implemented, our Kingdom Kids and Families Support Program has added an incredible Mental Wellness Support programming piece to go along with our Community Education and Community Programs. We are now providing a trauma-informed social-emotional learning (SEL) curriculum to develop healthy identities, manage emotions, and achieve personal and collective goals for our students, as well as educating our school's students and providing intense, high-quality tutoring for low-income families outside our school family. We are so blessed to even work with a family of five who just moved to Kissimmee from the ages of 5-12 and have never attended one day of school in their entire life. Starting from scratch has been an enormous challenge and undertaking, but it will be rewarding once the dust clears. We cannot thank you enough for your generosity and support for our students and community. We really hope you will consider our organization again next year.

Donation / Sponsorship Description

1. Briefly describe the nature of the event and the process to participate. If the request is for a donation, what will the funds be used towards? *

Kingdom Kids Christian Academy wishes to thank you for the opportunity to request grant support for our Community Education, Mental Wellness Support, and Community Programming for homeless and underserved students, which is known as the Kingdom Kids and Families Support Program in Kissimmee, Florida. More students are failing and performing below grade level in the history of education. With a 47% increase in student mental health issues and a 33% increase in depression, along with the lack of affordable housing in Osceola County, which presents a series of challenges within our communities through poverty, homelessness, food insecurities, substance abuse, suicide, an increase in crime shows that our programs are an absolute necessity. Along with educating our school's students and providing intense, high-quality tutoring for low-income families outside our school family, we holistically provide clothing, feeding, counseling, and community outreach for needy students, as well as providing trauma-informed social-emotional learning (SEL) curriculum, to develop healthy identities, manage emotions, and achieve personal and collective goals for our students. Funding from your foundation will help us overcome our communities' academic challenges, mental health disorders, and social hurdles with our programmatic categories: Community Education, Mental Wellness Support, and Community Programming.

We are seeking funding for books, tutoring supplies, and snacks for underserved students.

Community Impact

Community Benefit Funds Application

City of Kissimmee, FL

Describe the impact this event will have on the quality of life and/or community pride for residents in the City of Kissimmee. *

The Kingdom Kids and Families Support Program has made it our priority to educate, counsel, feed, and clothe students in need while providing services to holistically restore dignity and self-sufficiency to families. Because our school has a partnership with the Vine Church, we believe in SERVING and HELPING everyone we can. Our program is comprised of three programmatic categories: Community Education, Mental Wellness Support, and Community Programming.

Community Education

(County-Wide Academic Acceleration and Tutoring to Combat Learning Loss Due to the Pandemic)

Students from low socioeconomic communities were disproportionately impacted during the pandemic, resulting in further widening achievement gaps. To help struggling students in our community, we provide high-quality tutoring to accelerate student learning, compensate for lost instructional time, and help raise their test scores. Our tutoring ensures that students, especially those who have experienced the most significant learning losses, are consistently instructed with grade-level materials, provided scaffolding, and gain the most critical just-in-time content knowledge and skills needed to access curricula at the appropriate grade level. In addition, our programming offers a blend of computer-delivered and teacher-led instruction to increase students' vocabulary, listening skills, social-emotional development, independence, and academic and cognitive skills.

Our instructional focus will be on the following:

English

- Foundational skills
- Priority standards
- Standard deficiencies

Reading

- Foundational skills and enrichment
- Grade-level standard deficiencies
- Focus on remedial skills
- Focus on acceleration

Math

- Standard deficiencies that bridge the gap for primary grades.
- Foundational skills
- Priority standards
- Standard deficiencies
- Foundational skills and enrichment
- Grade-level standard deficiencies
- Remedial skills
- Acceleration

Although our programs are year-round, we also offer extensive summer programming. In addition, KKCA provides a comprehensive summer school program to provide support and enrichment to meet the academically struggling student's needs. Summer programs are available to students in all ESSA Subgroups in grades Pre-K-5.

We provide ALL needy students face-to-face/online tutoring regardless of where they attend school. We also are enhancing our literacy programs by purchasing classroom libraries for intensive reading. Our literacy program supports independent student reading within the rotational model and provides opportunities for students to participate in cohort book studies to enhance fluency, vocabulary, and reading comprehension. Trends have shown the need for increased print materials to promote improved independent reading. Providing classroom libraries gives students the platform to engage in active self-regulation based on Nell Duke's Active View of Reading, which is the first step in creating skilled readers. We will also help preschoolers build essential skills for emergent writing, handwriting, and letter knowledge. Our purchased materials will help teach young children how to write well-formed letters and increase letter identification skills using a practical, developmentally appropriate multisensory writing approach. When taught explicitly, multisensory instruction will help children who struggle with pencil grip, letter formation, and many other skills.

Mental Wellness Support

Many students suffer from mental health issues in silence. These students may be experiencing a wide range of challenges, such as anxiety, depression, stress, eating disorders, self-esteem issues, or other conditions that affect their well-being. Several factors contribute to their decision to suffer in silence, such as social stigma, lack of awareness, fear of consequences, or limited access to resources. Providing a Whole School Approach and Holistic Integration of Education and Mental Health support added to our curriculum is a priority and our primary focus this year. Fortunately, mental health disorders can be prevented with Early Identification, Early Intervention, and Trauma-Informed Social-Emotional Learning (SEL).

Early intervention and trauma-informed social-emotional learning (SEL) are integral to education and human development. SEL is the process through which all young people acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions, and achieve personal and collective goals. Our SEL curriculum also teaches our students to empathize with others, establish and maintain supportive relationships, and make responsible and caring decisions. These skills are developed through evidence-based classroom programs, character education

classes, school culture, and ongoing collaboration with families and communities. Our programs empower our students to build skills for success. Providing students with preventative content aligned to their challenges helps them learn and apply skills such as stress management, mindfulness, problem-solving, and self-care in real time. With these tools, students are better equipped to navigate the ups and downs of life, effectively managing stressors and reducing the likelihood of developing more severe mental health conditions down the road.

We also have a drop-in counseling hour for groups that can significantly enhance accessibility and allow more students to access the support they need without the requirement of scheduling appointments. We also provide before-school and after-school drop-in support to give students more opportunities to seek and receive the help they need. Our school provides violence and bullying prevention training for students, staff, and parents/caregivers, implements a zero-tolerance bullying policy, and provides readily available mental health services for student referrals. These tools offer a scalable community approach to upstream prevention of mental health crises and school-wide violence in any manner.

Community Programming

With homelessness increasing daily in our community, we are helping 5-10 new families weekly to provide hundreds of children and their families with education, food, clothing, shelter, tutoring, and counseling. We have made community outreach and community partnerships an essential part of our programming that bridges all races, socioeconomic statuses, religions, genders, and sexual orientations. We provide an on-site food pantry to help people experiencing homelessness and families with immediate needs. We are very conscious of people needing transportation to our campus for services, so we make it a point to go out and feed hundreds of people in various high-poverty areas. Our partnership with Grace Landing has placed multiple foster children with families within our school and program. We provide extra support for our foster families, such as transportation, respite, babysitting, clothing, and meals. Single mothers who face domestic violence are an area we get behind. Besides feeding, clothing, tutoring, and counseling for abused females, we partner with H.O.M.E, which houses our single mothers and their children. For the past 14 years, the Kingdom Kids and Families Support Program has sent mission teams to Honduras. We provide food distribution, construction, medical and orphanage assistance, and micro-economic aid to the children and families of the most impoverished areas of Honduras. To demonstrate the versatility of our programs, we provide a Pastor for spiritual guidance, a therapist to help families cope with mental health, and a social worker who can help link families to services such as counseling, housing, employment, medical services, and transportation.

Program Goals

- ☐ Improving student academic achievement and combating learning loss and lost instructional time.
- ☐ Focusing on closing the achievement gaps and identifying students in need of support.
- ☐ Implementing foundational literacy aligned with state standards and private school curriculums.
- ☐ Purchasing books to promote improved independent reading.
- ☐ Delivering high-quality, equitable, standards-based instruction in both digital and print formats.
- ☐ Helping every student thrive academically, socially, and emotionally.
- ☐ Gathering a full circle of support from the home, school, and through the larger community to reinforce positive behaviors.
- ☐ Offering mental health support before and after school to extend the nurturing environment beyond regular classroom hours.
- ☐ Creating a safe and supportive environment where students can heal, learn, and thrive.
- ☐ Providing students with a calm environment that fosters self-growth.
- ☐ Providing low-income/homeless youth and families with food, clothing, shelter, and education.
- ☐ Helping homeless and underemployed families gain hope and rise above their current situations by providing a caring place where people can get clothing, meals, groceries, and health care.
- ☐ Identifying families' current needs and empowering them to make a positive change in their lives through our assistance.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Community Benefit Funds Application

City of Kissimmee, FL

Donation / Sponsorship Description

1. Briefly describe the nature of the event and the process to participate. If the request is for a donation, what will the funds be used towards? *

The event is going to be a presentation of a magazine created and produced by students.
Magazine Production: \$1000
Presentation Production: \$1000

2. Are any other fundraisers planned to raise money for the event or for your participation in the event?*

Yes.

3. Have you secured funding or funding commitments from any other governmental entity? If yes, please provide the name(s) of the entity(ies). *

No.

Community Impact

Describe the impact this event will have on the quality of life and/or community pride for residents in the City of Kissimmee. *

The magazine will be produced by a student club at OHS. The majority of the students are recently arrived students. Second, this is going to be a great way to showcase their coming to America story. Finally, the teenage immigrants are all Osceola Community residents that represent a new and incoming influx of students underrepresented in our community. The magazine and activity will give them an opportunity to show ownership for who they are (through their story).

Has this event ever received a donation or sponsorship from the Community Benefit Fund? *

☒ Yes

☐ No

85-8015249488C-4	02/28/2020	02/28/2025	COUNTY GOVERNMENT
Certificate Number	Effective Date	Expiration Date	Exemption Category

This certifies that

OSCEOLA COUNTY PUBLIC SCHOOL DISTRICT
SUBORDINATE DISTRICTS SCHOOLS
817 BILL BECK BLVD
KISSIMMEE FL 34744-4492

is exempt from the payment of Florida sales and use tax on real property rented, transient rental property rented, tangible personal property purchased or rented, or services purchased.

Important Information for Exempt Organizations

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

If you have questions about your exemption certificate, please call Taxpayer Services at 850-488-6800. The mailing address is PO Box 6480, Tallahassee, FL 32314-6480.
